

Dear Paulina and Tim,

Dr. Manger and I
want to thank you so
very much for the

SO VERY MUCH!

most beautiful Life Songs
~ Solo Piano. C.D. We have
both listened to it with
great pleasure! I now
keep it in my car and
the songs are played so
beautifully (Tim you have
the musical abilities of an
angel!). I drive around

and the songs are so
gorgeous that my eyes
tear-up from the love
+ beauty of it.

Thank you for your
most thoughtful +
meaningful gift.

Kind regards,

Dr. Manger + Carol
